**Re: COVID-19 UPDATE 2**

Blessings family and friends of Mount Zion,

Due to the recent recommendations from provincial and federal health officials regarding the COVID-19 pandemic, all gatherings for services will be postponed until further notice.

**This Sunday, March 22, 2020, please join us in worship via livestream at 11:00am.**

This can be done by:

- ✓ visiting our website: [www.mzaccanada.com](http://www.mzaccanada.com)
- ✓ scrolling to the bottom of the page
- ✓ selecting "LIVESTREAM" (bottom right)

You may also search "MZAC Malton" on [www.YouTube.com](http://www.YouTube.com)  
Please subscribe and turn on the notification bell to ensure you are notified each time our service is live.

Also, all are strongly encouraged to utilize the e-transfer option to donate your tithes and offering using [donate@mzaccanada.com](mailto:donate@mzaccanada.com).

**PLEASE DO NOT COME TO THE CHURCH BUILDING** as the doors will be locked in efforts to comply with the recommendation of limiting gatherings greater than 50 people.

We are also currently looking into other options in which our members may be able to participate in weekday services online. More details regarding this will be sent out once finalized. Please continue to monitor our website for further updates.

We thank you for your continued cooperation during this uncertain time and ask that you continue to take the necessary precautions to ensure your health and safety. We also ask that you continue to pray for coverage and divine guidance as we go from day to day.

All for the Master,

Pastor Damion Smith
